

est. 1872 • Dunstable, MA

Our Story

Since 1872, the Tully Family has been milking cows in Dunstable MA. Almost 150 years later, we have continued to raise Holstein cows to produce high quality, fresh milk. Six generations have worked (or are currently working) on the farm with help from many family and friends along the way.

Tully Farms Dairy is excited to bring new local options to the people of Dunstable and the surrounding towns. Our milk,

sold in glass bottles, is pasteurized using a process called vat pasteurization. Vat pasteurization uses a lower temperature for a longer period of time. This gives our milk a rich, creamy flavor with more nutrients than what you find at the grocery store.
