

The objective of the **Massachusetts Association of Dairy Farmers** is to encourage and promote all interests which have for their purpose the advancement of a truly viable dairy industry. It is important to provide a supply of local wholesome milk, for the aesthetics, environmental benefits, jobs, tourism, rural communities and our heritage. Agriculture is the building block of our country.

Massachusetts Association of Dairy Farmers Business Membership

Participation has its Benefits!

As a Massachusetts Association of Dairy Farmers (MADF) member you are part of the Massachusetts agriculture community and the largest dairy industry networking vehicle in Massachusetts. We are a statewide association dedicated to advancing the interests of the dairy industry. Participation in MADF provides the following benefits to you...

Professionalism & Networking * Marketing & Promotion

Knowledge & Awareness * Industry News

Education & Training * Legislative Advocacy

Here is your chance to reach Massachusetts Dairy Farmers directly by becoming a valued business member. We need your support to continue to be a strong organization for the dairy industry. Please consider supporting MADF and the MA Dairy industry with a business membership. Your business will be listed on our the MADF Website and E-News for easy member contact. Want more value? Ask us how you can showcase your products and services by being a **Supporting Sponsor of our Summer and/or Winter Programs!**

Please help MADF help you! Thank you!
